2027 Special Requests for TSA Scheduling

- What is a special Request? A special request is submitted to the L&S Committee Chairman when **your** pool has a constraint that must be considered during schedule preparation.
    - Calendar Conflicts – "**My** pool is unavailable on this date. Please schedule us away for that week." (Example: Is your club used as a voting location?)
    - Logistical Challenges – "**My** pool's deck space is small. Please schedule the smaller teams as home meets for our team." Or, "**My** pool does not have lights, please schedule us to host smaller teams so that meets can finish more quickly"
    - Repetition – I try to honor as many prior year Home/Away alternations as possible but some location repeats are unavoidable. This situation is more likely to occur in 3-team divisions. I include the previous 2 years' worth of H/A data in my model to avoid any 3-peats. HOWEVER, if **your team** has **traveled** to a certain team 2 or more years in a row and you want to make sure you host that team this year, feel free to send in a request. Similarly, feel free to let me know if you traveled to a distant team last year, and would prefer to host them this upcoming year.

- What information NEEDS TO BE included in a special request in order to be considered?
    - SUBJECT LINE: "TSA Special Request: Team Name"
    - BODY OF EMAIL:
        - TSA Rep Name
        - Team Name
        - League (North/South) & Rank: Should look like this "S12"
        - Specific needs
        - Reason – a short explanation of the request.
        - If more than one request, order of priority

Submit your request in an email to: **Stefan@XylemOnline.com**

NO LATER THAN SATURDAY, JANUARY 23rd, 2027 @ MIDNIGHT

Requests received after that date will not be considered.

Types of requests to avoid (will be grounds for refusal):

- Special Requests to avoid a match-up with a certain team due to prior year issues:
    - The matchups are determined by your team's rank. There will be no deviation.
- Special Requests to avoid swimming at a certain location.
- If you submit multiple requests, CLEARLY list in order of priority. Any request after the highest-priority request will be considered after all other teams.
